Reminder

Reflection photos for the Botanic Gardens Exhibition need to **be printed on A4 paper** and brought to the **October club meeting**. So far we have 12 people indicating they may have images for the exhibition. We need 26 images altogether so put forward as many as you would like considered. We can then ensure there will be a range of subjects and that no-one misses out.

The images will be reviewed at the 31st October committee meeting. After selection you will be notified of the size to be printed. If you are planning to submit images but didn't respond to the earlier email **please let us know by email**.
